

Patient Communication Form

- A. Family and Friends. It is the policy of Pacific Northwest Eye not to release confidential medical information regarding your treatment to family members or friends, except for (i) parent/legal guardian, (ii) other persons authorized by the patient, (iii) as we may reasonably infer from the circumstances (for example, if you bring a family member or friend into the exam room, we will assume, unless you object, that the individual is entitled to receive information regarding your treatment), in emergency situations, or (v) other as otherwise permitted by the Health Insurance Portability and Accountability Act of 1996 (HIPAA).
- B. If you anticipate that you will need or want your medical information to be provided to family members, friends, or caretakers/babysitters, please indicate that below, so that we may best serve you. If you do not want any of your medical information provided to a family member, please check (✓) the line next to the "no" response. By signing below, you authorize the following people to receive information regarding your treatment or care. If you wish to add names later on, please confirm this in writing, or contact one of our patient service representatives at (253) 759-5555.
